Erratum to: Archaeol Anthropol Sci (2011)
DOI 10.1007/s12520-011-0072-1

The original version of this article unfortunately contains an error in the fourth paragraph of the section “Introduction to electrokinetic phenomena”. The second sentence in this paragraph should read:

Typically, three electrodes, or phases, each measuring a few microns wide and spaced a few microns apart, are repeated on a substrate.

The online version of the original article can be found at
