Erratum to: Fish Sci DOI 10.1007/s12562-017-1086-0

In the original publication, under section “Effects of NaF on scale osteoblastic and osteoclastic activities (in vivo experiment)” the first sentence should read as:

Before NaF or saline (0.9% NaCl) injection, the scales on the right side were removed under anesthesia with 0.04% of 2-phenoxyethanol (Wako Pure Chemical Industries, Ltd.).

The online version of the original article can be found under doi:[10.1007/s12562-017-1086-0](https://doi.org/10.1007/s12562-017-1086-0).
