This article is retracted by the Editor-in-Chief as several figures included in this article have been found to have high degrees of similarity with previously published works, viz. “Effect of Dynamic Cross-Linking on Melt Rheological Properties of Polypropylene/Ethylene-Propylene-Diene Rubber Blends” by Anil K. Jain, Neeraj K. Gupta, A. K. Nagpal, Journal of Applied Polymer Science, Vol. 77, 1488–1505 (2000).

The online version of the original article can be found under doi:[10.1007/s12588-012-9023-7](https://doi.org/10.1007/s12588-012-9023-7).
