Existence for the thermoviscoelastic thermistor problem by Kuttler K L, Shillor M, Fernández J. *Differential Equations and Dynamical Systems*, 2009; 17:217–233. DOI: 10.1007/s12591-009-0017-7. This is a duplicate publication of the same article, also published in *Differential Equations and Dynamical Systems*, 2008; 16:309–332. DOI: 10.1007/s12591-008-0017-z.

Therefore the above version is being retracted from publication, and this is deeply regretted.
