In the manuscript entitled: "Canadian contributions to the introduction and use of divinyl ether" published in the December 2008 issue, Can J Anesth 2008; 55: 853–8, the footnote on page 854 refers to a paper that was

subsequently published. The actual citation is: *Humble RM*. The first use of divinyl ether as an anaesthetic agent in humans. *In*: Atkinson RS, Boulton TB (Eds). The History of Anaesthesia. Proceedings of the Second International Symposium. London: Royal Society of Medicine; 1989: 214–6. The publisher apologizes for this omission.

The online version of the original article can be found under doi:[10.1007/BF03034057](https://doi.org/10.1007/BF03034057).
