The articles in this Issue focus on recent works, authored by eminent Indian scientists, working worldwide, who have stimulated their leadership in respective fields. I sincerely thank all of them for sharing their contributions to *Indian Journal of Physics*.

I would also like to convey my heartfelt gratitude to all the respected Editors and Honorary Associate Editors, especially Prof. I Bose, Prof. S S Mandal, Prof. S Roy, Prof. D Basak, Dr. P Majumdar and Dr. R Pal for their efforts to make this Issue a grand success.

This Special Issue is published on the occasion of 125th Birth Anniversary of Sir C V Raman, a Nobel Laureate, who founded *Indian Journal of Physics* in 1926.
