In the published version of the manuscript, there are two typographical errors in the “Experiments” paragraph. They are corrected given below.

The last line of the first paragraph should read as:
the volume ratio of O₂ to CO₂ was 29 to 71.

The second line of the second paragraph should read as:
The flow rate of CH₄/air mixtures was fixed to 35 L/min, where the average velocity was 0.206 m/s.
