**Retraction to: Environ Geol (2009) 57:789–796
DOI 10.1007/s00254-008-1357-2**

The article is retracted at the author's request because it was previously published under the same title in *Journal of Environmental Hydrology* (Volume 16, paper 3, January 2008). The author submitted the article to *Environmental Earth Sciences* on an assumption that the editorial office of journal *Journal of Environmental Hydrology* had not proceeded to publish the paper.

The online version of the original article can be found under doi:[10.1007/s00254-008-1357-2](https://doi.org/10.1007/s00254-008-1357-2).
