Expression of Concern:

Environ Earth Sci (2016) 75:248

<https://doi.org/10.1007/s12665-015-5054-7>

The Editors-in-Chief of Environmental Earth Sciences are issuing an editorial expression of concern to alert readers that this article (Mohammadi et al. 2016) shows substantial indication of irregularities in authorship during the submission process. The authors suggested peer reviewers whose identity was not possible to verify. This article contains overlap with (Mostafaeipour and Mohammadi 2015) (amongst others). All authors disagree with this editorial expression of concern.
