4th and 5th column name in Table 1 in page 277, “Amylopectin” and “Amylose” were interchanged. The correct 4th and 5th column name in Table 1 in page 277 should be “Amylose” and “Amylopectin”, respectively. The probability level below Table 2 in page 279 should be also corrected from " $P < 0.05$ and $P < 0.01$ " to " $P \leq 0.05$ and $P \leq 0.01$ " probability level, respectively

We apologize to readers for the mistake.
