The published paper contains typographical errors in a formula that summarises the relationship between SI and non-SI units for the dose area product (DAP).

On page 1, Introduction, paragraph 2, line 7, the units in the expression $1 \mu\text{Gy m}^2 = 1 \text{ cGy m}^2 = 0.01 \text{ Gy m}^2$ should be replaced by $1 \mu\text{Gy m}^2 = 1 \text{ cGy cm}^2 = 0.01 \text{ Gy cm}^2$.
