Erratum to: Genes Genom DOI 10.1007/s13258-014-0241-6

There are some errors in the original publication of this article.

The 1st author's name was misspelled. The name should be Yongsik Kwak, not Yonsik Kwak.

In Table 1, the legend is missing and the contents are changed.

In Acknowledgement, the funding year should be 2014, not 2013.

Please find the correct author's name, Table 1, and Acknowledgment in this erratum

Acknowledgments The present work was conducted with funding from the Research Fund of Dankook University in 2014.

The online version of the original article can be found under doi:[10.1007/s13258-014-0241-6](https://doi.org/10.1007/s13258-014-0241-6).

Table 1 Summary of SVA2 elements in the primate genomes

Classification	Number of loci				
	Human	Chimpanzee	Gorilla	Orangutan	Rhesus macaque
Blat results	196	196	195	204	150
Discarded after manual inspection	52	57	65	66	34
Confirmed SVA2 elements	144	139	130	138	116
Confirmed by PCR analysis	–	–	6	1	–
Total	144	139	136	139	116
