The authors apologize for omission of the following reference:

“de Resende MF, Vieira S, Chinen LT, Chiappelli F, da Fonseca FP, Guimarães GC, et al. Prognostication of prostate cancer based on TOP2A protein and gene assessment: TOP2A in prostate cancer. *J Transl Med.* 2013; 11:36.”

This reference should have been included after the first paragraph of “Materials and Methods” “Tumor samples and clinical data”; and after the first paragraph of “Results” “Patients”.

Image C of Figure 5 has been selected by mistake from the same file as Image A from the same Figure.

The correct figure is the following:
