Retraction Note to: *Electronic Materials Letters*, Vol. 7, No. 3 (2011), pp. 249–254
<https://doi.org/10.1007/s13391-011-0913-1>

The Editor-in-Chief and Editorial Board of *Electronic Materials Letters* have retracted this article [1] because it shows significant overlap with a publication by the same co-author without proper citation [2]. The contents of this article are therefore redundant. Neither of the authors responded to correspondence from the editor about this retraction.
