Erratum to: Biomass Conv. Bioref.
DOI 10.1007/s13399-017-0253-y

The original version of this article unfortunately contained mistakes.

Equations 2, 4, and 8 were presented incorrectly. The corrected equations are given below:

$$\dot{m}^{H_2} = \dot{n}^{H_2} \cdot M_{H_2} = 5 \cdot \lambda \cdot \frac{\dot{m}^{Glycerol}}{M_{Glycerol}} \cdot M_{H_2} \quad (2)$$

$$\dot{n}_C^{Product\ gas} = \frac{\dot{V}^{Product\ gas}}{V_{m, 20^\circ C}} \cdot (y_{CH_4} + y_{CO_2}) \quad (4)$$

$$\Delta X_C / \% = \left(\left| \frac{\Delta \dot{n}_C^{Product\ gas}}{\dot{n}_C^{Feed}} \right| + \left| -\frac{\dot{n}_C^{Product\ gas}}{(\dot{n}_C^{Feed})^2} \cdot \Delta \dot{n}_C^{Feed} \right| \right) \cdot 100\% \quad (8)$$

Figure 7 was incorrect. The correct figure is given below. And the Electronic Supplementary Material (ESM) has been updated.

The original article was corrected.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s13399-017-0253-y>

Electronic supplementary material The online version of this article (doi:10.1007/s13399-017-0260-z) contains supplementary material, which is available to authorized users.
