Erratum to: Apidologie (2013) 44:404–418
DOI: 10.1007/s13592-012-0190-5

In the original article the subspecies of honeybee is mentioned incorrectly as *Apis mellifera mellifera*.

The correct term for these honeybees from a colony of subspecies is *Apis mellifera carnica* throughout the article.

Everything else in the paper remains correct.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s13592-012-0190-5>.
