**Erratum to: Acta Neurol Belg
DOI 10.1007/s13760-012-0025-1**

In the original published article, the word “morphological” in the article title and the authors’ affiliations are incorrect.

The correct title should read:

Are irreversible morphological signs of portal hypertension in neurological form of Wilson's disease associated with treatment delay? A pilot study

The correct author affiliations are given here.
