Page 145, Table 1, last row, which previously read:

“Monovalent or combination infant vaccines containing one or more of the following: diphtheria-tetanus-acellular pertussis vaccine, *Haemophilus influenzae* type b vaccine, inactivated poliovirus vaccine or oral poliovirus vaccine, pneumococcal conjugate vaccine and group C meningococcal conjugate vaccine”

Should read:

“Monovalent or combination infant vaccines containing one or more of the following: diphtheria–tetanus–acellular pertussis vaccine, *Haemophilus influenzae* type b vaccine, inactivated poliovirus vaccine or oral poliovirus vaccine, hepatitis B vaccine, pneumococcal conjugate vaccine and group C meningococcal conjugate vaccine”

The original article can be found online at <https://doi.org/10.1007/s40267-018-0497-z>.
