Page 1, abstract, lines 12–14: The following sentence, which previously read:

“Total distance covered for elite female players is approximately 10 km, with 1.7 km completed at high-speed ($>18 \text{ km}\cdot\text{h}^{-1}$).”

should read:

“Total distance covered for elite female players is approximately 10 km, with 1.7 km completed at high speed ($>15 \text{ km}\cdot\text{h}^{-1}$).”

Page 2, section 2, paragraph 2, column 2, lines 4–6: The following sentence, which previously read:

“However, since this time, national team players have been reported to cover a distance of 1.53–1.68 km at high speeds ($>18 \text{ km}\cdot\text{h}^{-1}$) [10, 12, 14].”

should read:

“However, since this time, national team players have been reported to cover a distance of 1.53–1.68 km at high speeds ($>15 \text{ km}\cdot\text{h}^{-1}$) [10, 12, 14].”

Page 7, Table 3, Maximal oxygen uptake for elite female soccer players: The cell entry in the ‘References’ column which previously read:

“Mohr et al. [16]”

should read:

“Mohr et al. [17]”

Page 10, Table 6, Vertical jump test results for elite female soccer players: The cell entry in the ‘References’ column which previously read:

“Krustrup et al. [13]”

should read:

“Krustrup et al. [12]”
