Erratum to: J Arid Land (2016) 8(6): 973–985

doi: 10.1007/s40333-016-0091-y

In this Erratum, we corrected the Figure 10 of “Distribution of isotopes and chemicals in precipitation in Shule River Basin, northwestern China: an implication for water cycle and groundwater recharge”, which was published in Journal of Arid Land Vol. 8 No. 6 and was not a correct graphic. The correction is as follow:

Fig. 10 Relationship between the daily d-excess values and the precipitation amount at the four sites
