Erratum to: Decision DOI 10.1007/s40622-015-0083-3

There was an error made in identifying the source of the Fig. 4. The source of Fig. 4 should be Berkenpas et al. (1999) instead of Behrens et al. (1991). The full

reference details of the source can be found in the reference list of the original paper. Thus the final caption of the figure should be read as:

Fig. 4 Schematic of power plant using SCR and FGD. *Source* Berkenpas et al. (1999).
