Erratum to: Pulm Ther (2017)
DOI 10.1007/s41030-017-0038-2

The authors of the above-mentioned paper have noticed an error after publication and would like to make the following correction.

In the results of the pulmonary test, the value of FEV₁ (L), listed in Table 1 (Patient characteristics), was incorrectly presented as “4.36 ± 20.8”.

The correct value of FEV₁ (L) is 1.54 ± 0.60.

All authors have confirmed this correction. The correction does not affect the main theme

of the manuscript and does not affect the final results or discussion.
