The original version of this article unfortunately contained three errors.

There were two errors on page 2 of the article: (1) The discussion of *Reno v. Flores* (1993) is not accurate; and (2) the ORR assumed responsibility from the INS for the care of unaccompanied migrant children in January of 2003 rather than in 2002. Therefore, the 3rd paragraph of the section “Scope of Child Migration and Response” on page 2 of the article should start: “The responsibility for sheltering and providing for the needs of unaccompanied undocumented children in the United States

ORR receives . . .” In addition, the following reference should be deleted from the reference section:
