DOI 10.1007/s41365-016-0003-z

In this paper, all “ $\cdot e_{aq}^-$ ” should be corrected into “ e_{aq}^- ”, i.e., the “dot” in the “ $\cdot e_{aq}^-$ ” must be deleted.

That means all “ $\cdot e_{aq}^-$ ”, in both the context and equations, should be replaced by “ e_{aq}^- ”.
