

Correction to: Vascular Tissue Engineering: Pathological Considerations, Mechanisms, and Translational Implications

Frederick J. Schoen, Emanuela S. Fioretta, Anna Mallone, Anthal I. P. M. Smits, Leda Klouda, and Carlijn V. C. Bouten

Correction to:
“Vascular Tissue Engineering: Pathological Considerations, Mechanisms, and Translational Implications” in B. H. Walpoth et al. (eds.), *Tissue-Engineered Vascular Grafts*, Reference Series in Biomedical Engineering,
https://doi.org/10.1007/978-3-030-05336-9_15

Owing to an unfortunate oversight during the production process, chapter “Vascular Tissue Engineering: Pathological Considerations, Mechanisms, and Translational Implications” was initially published with incomplete authorship information. This has now been corrected.

The updated online version of this chapter can be found at
https://doi.org/10.1007/978-3-030-05336-9_15
