

Correction to: Study I: Level and Development of EU Support and Its Determinants

Correction to:
Chapter 5 in: S. Bauer, *Citizens' Support for the European Union*, Contributions to Political Science,
https://doi.org/10.1007/978-3-030-16461-4_5

The book was inadvertently published without the extra supplementary material (Appendix) being uploaded to Springer website and also the corresponding article note mentioning the presence of an ESM was not captured in the print version of the book. The extra supplementary material is now uploaded to Springer website and the corresponding article note is as well included in Chapter 5.

The updated online version of this chapter can be found at
