

Correction to: Structural Health Monitoring Damage Detection Systems for Aerospace

Markus G. R. Sause  and Elena Jasiūnienė 

Correction to:

M. G. R. Sause, E. Jasiūnienė (eds.), *Structural Health Monitoring Damage Detection Systems for Aerospace*, Springer Aerospace Technology, <https://doi.org/10.1007/978-3-030-72192-3>

The original version of this book was inadvertently published with outdated acknowledgement text in the front matter and without including the funder's logo in the front cover. Now, both these corrections have been updated in the front matter and front cover.

The updated online version of this front matter can be found at
<https://doi.org/10.1007/978-3-030-72192-3>
