

Correction to: Concluding Remarks: Tontine Thinking

Correction to:
Chapter 10 in: M. A. Milevsky, *How to Build a Modern Tontine, Future of Business and Finance*, https://doi.org/10.1007/978-3-031-00928-0_10

The original version of the book was inadvertently published with typos. The phrase Toronto Maple **Leafs** was incorrectly changed to Toronto Maple Leaves. Also, the “Large of Large Numbers” should be the “Law of Large Numbers” in the sentence “*It’s the nature of the institution itself, and the lawyers really don’t care that the Large of Large Numbers operates regardless of the type of paper it’s written on.*”

Third, and much more important, the computer code which had been placed in BOXES is completely garbled and disordered online.
