https://doi.org/10.1007/978-3-031-17625-8_2

The original version of the chapter was inadvertently published with incorrect factual information in the sentence “Further, the surface air temperature in Kautokeino has increased by 3.7 °C in the spring in recent decades (Hanssen-Bauer et al., 2023; Popova et al., 2023).” The sentence has now been corrected to “Further, the surface air temperature in Kautokeino has increased by approximately 3°C in the spring in the past 100 years (Hanssen-Bauer et al., 2023; Popova et al., 2023).”
