

# Correction to: High-Temperature Polymer Nanocomposites Based on Heterocyclic Networks from Nitrile Monomers

## Correction to:

V. A. Bershtein and P. N. Yakushev, *High-Temperature Polymer Nanocomposites Based on Heterocyclic Networks from Nitrile Monomers*, Springer Series in Materials Science 334, <https://doi.org/10.1007/978-3-031-32943-2>

The original version of the book was inadvertently published with error in “Chapters 1, 6, 7, 8, and 9” where text after the last names of the authors in chapter end was incorrectly updated with page number instead of Year, also the Figure 4.8b of chapter 4 has been replaced. The correction chapters and the book have been updated with the changes.

---

The updated version of this book can be found at
