

ERRATUM TO

Enzyme Production from *Trichoderma reesei* and *Aspergillus* Strain

© The Author(s) 2017

V. Rana, D. Rana, *Renewable Biofuels*, SpringerBriefs in Applied Sciences and Technology, DOI 10.1007/978-3-319-47379-6_3

DOI 10.1007/978-3-319-47379-6_3

Chapter 3 in the original version of this book was inadvertently published without its original publication being cited throughout. The correct version of this chapter will contain the below article note as an acknowledgement to the original publication and Publisher:

Reprinted from Bioresource Technology, Vol. 154, Rana V, Eckard AD, Teller P, Ahring BK, On-site enzymes produced from *Trichoderma reesei* RUT-C30 and *Aspergillus saccharolyticus* for hydrolysis of wet exploded corn stover and loblolly pine, PP. 282–289, Copyright 2014, with permission from Elsevier.

Additionally, D. Rana's name has been detracted from this chapter as he was not part of the original authors' group.

The online version of the original chapter can be found at http://dx.doi.org/10.1007/978-3-319-47379-6_3
