

# Erratum to: Mobile Telephony EMFs Effects on Insect Ovarian Cells. The Necessity for Real Exposures Bioactivity Assessment. The Key Role of Polarization, and the “Ion Forced-Oscillation Mechanism”

Dimitris J. Panagopoulos

**Erratum to:**  
**Chapter 1 in: C.D. Geddes (ed.), *Microwave Effects on DNA and Proteins*, DOI [10.1007/978-3-319-50289-2\\_1](https://doi.org/10.1007/978-3-319-50289-2_1)**

The original version of this chapter was inadvertently published with incorrect equation in page 28.

Current equation has long square root but the short square root is correct.

Incorrect:

$$E_{ave} = \sqrt{\frac{1}{2}(E_{o1}^2 + E_{o2}^2)} \text{ or } E_o^2 = E_{o1}^2 + E_{o2}^2 \text{ (= constant)}$$

Correct:

$$E_{ave} = \sqrt{\frac{1}{2}(E_{o1}^2 + E_{o2}^2)} \text{ or } E_o^2 = E_{o1}^2 + E_{o2}^2 \text{ (= constant)}$$
