The original version of this article was inadvertently published with some errors in figure-2. The same has been updated later as below.

1. In the Group 3 yellow column, MYCN has been updated as “MYC.”
2. In the Group 3 yellow column, “de differentiation” has been updated as “de-differentiated.”
3. In the Group 4 green column, “isochromosome” is incorrectly spelled. This has been corrected as “isochromosome”.
4. Followed consistency in the word “signaling” throughout figure.
5. In the Group 4 green column, the ratio 3:1 has been updated as 2:1.
6. Page 339, second paragraph, 3rd last line has been corrected to refer “Figure 2.”
