The original version of Chapter 6 was inadvertently published with the below incorrect sentence on page 183.

“In fact, as of 31 December 1980, out of HK\$5.261 billion total loan facilities available, HK\$11.515 billion remained undrawn.”

This is factually incorrect and has been changed to:

“In fact, as of 31 December 1980, out of the total HK\$11.515 billion loan facilities available, HK\$5.261 billion remained undrawn.”

The chapter has now been corrected and approved by the author.
