

Mrs. Michelle Obama

Hazel Marie Harris Watson

Sweet daughter of the universe...sent into our midst
To caress the earth with your compassionate, gentle nature
Mother Earth smiled at the first woman of African descent to be the
First Lady of the United States of America ...it's forty-fourth, First Lady
An educated woman, bold of step, with a captivating smile and eyes
filled with wonder and awe...
Mother earth sent a woman not afraid to show emotions in the face
of catastrophe and pain...
A woman whose compassionate heart allowed her gracious, gentle
hands to reach out and touch the wounded and grieving with empa-
thy ...unashamed ...
A true humanitarian, a gardener, the perfect hostess, an exercise
enthusiast, a dancer, a TV star...
Mother Earth sent a First Mother, who made the children of
America feel loved and each one became a Superstar ...whenever
they came into her presence...
Mother Earth looked down on America so in need of Grace ...
And sent us a true Earth Mother full of grace, charm, and
elegance...Mrs. Michelle Obama
