Plant Molecular Biology **17**: 669–678, 1991.

Part of the nucleotide sequence (position 91–106) shown in Fig. 5 is incorrect due to a typing error. The corrected nucleotide sequence reads as follows:

91				106
CTG	CTG	GTT	ATG	CCA
Leu	Leu	Val	Met	Pro

The original amino acid sequence derived from the nucleotide sequence of the cDNA is correct.
