

Corrigendum

P.S. Theocaris and J. Milios – “Dynamic Crack Propagation in Composites” – *Int. J. Fracture*, 16 (1980) 31–51.

In the February 1980 issue, page 39, 2 frames of the photograph series of the paper “Dynamic Crack Propagation in Composites”, by P.S. Theocaris and J. Milios, are printed in the wrong position and direction. Although the correct position of the pictures is obvious, please notice that frame 14 is printed in place of frame 18 and vice-versa, while more, both pictures are printed in the reverse direction.
