

ERRATA

Morris H. De Groot's article 'Changes in Utility as Information' contained numerous errors due to the printer confusing De Groot's carefully corrected proof with the uncorrected proof. The uncorrected proof was printed in *Theory and Decision* 17, No. 3, November 1984. Therefore a table of the formal errors and their corrections follows.

De Groot is correctly spelled with a space between the 'e' and 'G'.

pg. 288 – line 3 from the bottom: $E[I(X)] = [EX \dots \text{not } E[I(X)] = [Ex \dots$

pg. 289 – line 4 should be: $V[a\xi_1 + (1 - a) \dots$
line 18 the formula 2.7 begins with: $\int \xi(0) \log \dots$ not: $\xi(0)$

pg. 291 – line 8 the 5th word is 'this' not 'the'

pg. 295 – line 19 the heading should read: 4. THE DISTRIBUTION OF INFORMATION

pg. 299 – line 8 the ninth word in is: 'as' not 'at'

pg. 301 – line 12 theorem 3 should read: For $i \leq j < k \leq n$, not:
 $i \leq j \leq k < n$

line 3 from the bottom, theorem 4 should read: For
 $i \leq j < k \leq n$ not: $i \leq j < k < n$

pg. 302 – line 10 corollary 1 should read: For $i \leq j < k \leq n$, not:
 $i \leq j < k < n$

the first reference listed: *Bernardo* not *Bernado*

pg. 305 – line 5 the title: *Probability and the Weighing of Evidence*
