

Erratum

In Vol. 5 No. 2 (June), the legends to Figs. 2 and 3 in the article by H. C. Orrom and C. C. Wright were unfortunately confused. They should read:

Fig. 2. Contour maps of the relative densities of workplaces as they would appear in relation to clusters of homes in the 3, 9 and 15 km annuli.

Fig. 3. Contour maps of the relative densities of homes as they would appear in relation to clusters of workplaces in the 3, 9 and 15 km annuli.
