The pathogenesis of so-called cardiac rhabdomyoma in swine: a histological, immunohistochemical and ultrastructural study

Virchows Arch (1995) 427:213–221

Due to an unfortunate oversight the wrong reference numbers were cited in the text. The list below shows the correct numbers.

9 → 8	27 → 25
10 → 9	28 → 26
11 → 10	29 → 27
12 → 11	30 → 28
13 → 12	31 → 29
14 → 13	32 → 30
15 → 14	33 → 31
16 → 15	34 → 32
17 → 16	35 → 33
18 → 17	36 → 34
19 → 18	37 → 35
20 → 19	38 → 36
21 → 20	39 → 37
22 → 21	40 → 38
23 → 22	41 → 39
24 → 23	

On page 220, right column, 11 lines from the bottom, “of” should read “or”.

On page 214, left column, 25 lines from the top, “phosphotungistic” should read “phosphotungstic”.

On page 214, right column, 13 lines from the top, “sectioned” should read “sections”.
