General Assembly 1974

The General Assembly of our Society will meet at Liège, on the occasion of the centenary of the Geological Society of Belgium (Société Géologique de Belgique), on Wednesday, September 11, 12.00 a.m.

Colloquium 1975, Preliminary Announcement

A joint Colloquium of the Lagerstättenausschuß der GDMB (Gesellschaft Deutscher Metallhütten- und Bergleute) and SGA will be held at Clausthal from Thursday, April 3 to Saturday, April 5, 1975. The scientific sessions will deal with genetic and technological aspects of ore deposits of recent marine formation and of deposits on stratigraphical unconformities. Field trips to mines in the F.R. of Germany and neighbouring countries are planned. A first circular will be dispatched in May.
