Erratum

**Alleles and haplotypes of the MHC-encoded ABC transporters
TAP1 and *TAP2***

Stephen H. Powis, Susan Tonks, Ian Mockridge, Adrian P. Kelly, Julia G. Bodmer, and John Trowsdale

Immunogenetics 37: 373–380, 1993

In Figure 2, the positions of the third and fourth alleles of *TAP1* should be reversed. Thus, *TAP1C* contains Val at position 333 and Asp at position 637 and was observed at a frequency of 9/206 haplotypes (4.4%).
