

*Erratum*

**Actin stringently accumulated in the specifically positioned,  
differentiating female gametangia of *Allomyces***

**B.N. Nguyen Thi and G. Turian**

Laboratory of General Microbiology, Sciences III, Université de Genève, CH-1211 Geneva 4, Switzerland

**Sex Plant Reprod (1992) 5:310–312**

In this article, the second sentence of the Summary should have read:

“The anti-actin, cytochalasin D, can selectively suppress female differentiation in both species.”
