

## *Erratum*

Re: Erratum in Vol. 21, p. 87 (1988)

# **Uridine-induced hypothermia in mice and rats in relation to plasma and tissue levels of uridine and its metabolites**

**G. J. Peters, C. J. van Groeningen, E. J. Laurensse, J. Lankelma, A. Leyva, and H. M. Pinedo**

Department of Oncology, Free University Hospital, P. O. Box 7057, 1007 MB Amsterdam, The Netherlands

Cancer Chemother Pharmacol (1987) 20: 101–108

Due to a printing error, the erratum was incorrect and should have been as follows:

On page 106, lines 16–17 from the top should read: It might also be possible that the uridine-induced hypothermia (and *not*, as originally printed, *hyperthermia*) is a shock-like effect due to a sudden load of salts.
