

Erratum

**Efficient direct chromosome analyses and enzyme determinations
from chorionic villi samples in the first trimester of pregnancy**

G. Simoni, B. Brambati, C. Danesino, F. Rossella, G. L. Terzoli, M. Ferrari, and M. Fraccaro

Hum Genet (1983) 63 : 349–357

The following errors should be corrected:

On page 354 in Table 3, case No. 38 the first karyotype (46,XY) should read 46,XX.

In the second column of page 355 last line but one of the paragraph, “in vitro” should read in vivo.
