

## COMMUNICATION

INTERNATIONALE VEREINIGUNG FÜR VEGETATIONSKUNDE  
ASSOCIATION INTERNATIONALE DE PHYTOSOCIOLOGIE  
INTERNATIONAL SOCIETY FOR PLANT GEOGRAPHY AND ECOLOGY

During this year's International Symposium on „Experimental Phytosociology” held at Rinteln (Western Germany), after the memory of the deceased president, Dr. W. C. DE LEEUW, had been gratefully recalled,

Professor J. LEBRUN, D.Sc., Brussels, former vice-president, was elected as president of the International Society for Plant Geography and Ecology.

The following were elected as vice-presidents:

Professor W. BENNINGHOFF, Dept. of Botany, University of Michigan  
Ann Arbor, Michigan.

Professor V. SOTCHAVA, Institut Botanique, 22 Rue Prof. Popova 2,  
Leningrad.

Professor SUZUKI-TOKIO, University of Ooita Danoharu, Ooita,  
Japan.

All the above have accepted the appointment and have promised their energetic co-operation.
