

Erratum

Intracranial tumors during the 1st year of life

Ercole Galassi, Umberto Godano, Michele Cavallo,
Roberto Donati, and Maria Teresa Nasi

Division of Neurosurgery, Bellaria Hospital, Via Altura, 3,
I-40139 Bologna, Italy

Child's Nerv Syst (1989) 5: 288-298

An error unfortunately occurred in Table 4, p. 295, of the above article. Two tumors of pineal cell origin were inadvertently omitted from the total number of neuroectodermal neoplasms. The inclusion of these two tumors changes the total to 279 (81%) neoplasms instead of 277 (80.8%).

Announcements
