On p. 722 of the article "Characterization and Temperature Regulation of Soluble Proteins of a Male Sterile Tomato Mutant" by V. K. Sawhney and S. K. Bhadula (*Biochem. Genet.* **25**:717-728), Fig. 2 was presented without its accompanying caption. Figure 2 and its caption are correctly reproduced below.

**Fig. 2.** Silver-stained, 2-D gel of normal stamens. Numbers on the right indicate molecular weights of marker proteins.
