

ERRATUM

Alexander Rauh, 'Some Estimates Regarding a Finite Time Stability of the Sun-Earth-Jupiter System', *Celestial Mechanics* **55**, 161–206 (1993).

Due to a wrong manipulation during the correction of the proofs of this paper, all central dots of scalar products were changed into crosses suggesting erroneously vector products. Central dots have to be restored in eqs. (14), (34)–(36), (47), (48); furthermore in the two lines above eqs. (49) and (91), in the line below eq. (105), in eq. (126), throughout the two pages 190 and 192, in eqs. (162)–(166), and in the second line above eq. (186).
