

Erratum

In the paper, "The Conceptual Analysis (CA) Method in Theories of Micro-channels. Part III," by F. Jenč [*Found. Phys.* **9**, 897 (1979)], the following correction should be noted:

To avoid misunderstanding, the twentieth line from the top on p. 916 should read (cf. also Ref. 3): "...quantitative mark, proportional to Δt , in a reproducible way."
